

Ivan Franko National University of Lviv

Ivan Franko National University of Lviv is strongly interested in participating in proposals for KA 2. Cooperation Projects - Capacity Building in Higher Education addressing the following priorities of Erasmus+:

- Curriculum development projects (joint innovative programs, particularly in Social sciences)
- Improving quality of education & teaching (Learning & teaching tools: methodologies & pedagogical approaches; Multidisciplinarity/Interdisciplinarity)
- Improving management & operation of HEIs (Governance, strategic planning and management of higher education institutions, internalization higher education institutions)
- Developing the HE sector within society at large increasing research capacities (University-enterprise cooperation, entrepreneurship & employability of graduates; Reinforcing links between education, research & business)

We would like to notice that Ivan Franko National University of Lviv was founded in 1661 and is ranked among the 5 best Ukrainian universities. Today the University has over 22,000 students, over 2000 members of the academic staff, 19 faculties. More information can be found on our web site.

The University successfully participated in various Erasmus+ projects both related to curriculum development and capacity-building, and accumulated necessary experience for further mutually rewarding cooperation.
