The **legal representative** is the person with authorisation to represent the organisation in legal agreements and contracts.

The **Primary contact person** is the first contact point for everything that has to do with implementation of mobility activities. You can also add other contact persons.

If needed, one person can have more than one role. For example, a legal representative can also be the primary contact person. However, you need to name at least two different persons to make sure it is always possible to contact the organisation even if one of them is not available.

Please note that information related to Associated Persons will automatically be transferred to your National Agency but is not available in PDF.
